Design Proposal

**Customer
Address
Oxford, PA 19363**

Date:

DESIGN GOAL: Plan and design...

Plans to be based on our meeting, client goals and budget, building code requirements, and construction feasibility.

SURVEY: Survey the proposed project area and adjacent spaces as needed.

DESIGN: Present one layout for the update space(s), including floor plan and elevation views.

Provide product cost for proposed plans.

FEE: Fee due at survey. \$250 will be credited toward your cabinetry purchase from Harris Woodworking Inc.

Design rates for additional plan development, changes, and alternate plans are billed at \$75/hr.
